

# COMPILATION ACCENTURE RECRUITMENT

## VIDEO TRANSCRIPT

- 1  
10:00:00,000 --> 10:00:02,600  
(upbeat music)
- 2  
10:00:04,840 --> 10:00:05,960  
- The range of skills is definitely
- 3  
10:00:05,960 --> 10:00:07,480  
what's like been the  
most interesting thing
- 4  
10:00:07,480 --> 10:00:08,920  
about joining this team.
- 5  
10:00:08,920 --> 10:00:12,720  
Like there's people  
with like various PhDs,
- 6  
10:00:12,720 --> 10:00:15,120  
just like experts in areas  
I haven't even heard of.
- 7  
10:00:16,280 --> 10:00:19,520  
- There rarely are two  
days that are the same.
- 8  
10:00:19,520 --> 10:00:21,000  
You know, one day I could be working
- 9  
10:00:21,000 --> 10:00:23,800  
on a consumer goods  
project and on the next
- 10  
10:00:23,800 --> 10:00:25,920  
a pharmaceutical company, for example.
- 11  
10:00:27,400 --> 10:00:29,840  
- Even though we have a lot  
of portfolios within Dock
- 12  
10:00:29,840 --> 10:00:33,480  
and different pods and different  
teams and different type
- 13  
10:00:33,480 --> 10:00:35,600  
of capabilities that people come from,
- 14  
10:00:35,600 --> 10:00:37,240  
but we work here as one team.
- 15  
10:00:38,240 --> 10:00:40,840  
- Myself and my colleagues  
work really hard to make sure
- 16  
10:00:40,840 --> 10:00:42,960  
that, when we are working, we're bringing
- 17  
10:00:42,960 --> 10:00:45,320  
the latest thinking and  
the classical thinking,

18

10:00:45,320 --> 10:00:48,640  
from understanding how humans  
behave, how they think,

19

10:00:48,640 --> 10:00:50,960  
how they feel, and making  
use of that knowledge

20

10:00:50,960 --> 10:00:52,720  
to help us build better products.

21

10:00:52,720 --> 10:00:55,400  
- There is no better  
place on Earth to innovate

22

10:00:55,400 --> 10:00:57,240  
than right here at the Dock in Dublin.

23

10:00:57,240 --> 10:00:58,520  
And that's what excited me.

24

10:00:58,520 --> 10:01:00,960  
And I just knew I had to be here.

25

10:01:00,960 --> 10:01:02,840  
I had to be where the innovation

26

10:01:02,840 --> 10:01:05,800  
and the exciting technology  
was, and that brought me here.

27

10:01:05,800 --> 10:01:08,440  
(upbeat music)
