2.4 Special Instructions for Purchase Order (PO) Invoices

- Accenture require a Purchase Order (PO) for <u>all</u> purchases (without any threshold). Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case)
- Accenture's official Purchase Orders will be sent via email notifications from Accenture's procurement tool, Ariba Buyer, bearing the senders address: <u>Accenture.Purc.Order@accenture.com</u>. Please ensure you are able to receive emails from this address accordingly.
- If you are providing goods and services to Accenture under more than one PO, you must invoice for each PO separately.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO. (For example, the 'Bill To' address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please note that a Purchase Requisition Number ("PRXXXXX") will **not** be accepted, please quote only a valid PO number (eg "60xxxxxxxx").
- Invoice value /quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Accenture requestor to update the PO as required.

2.5 Submitting Invoices to Accenture

NOTE: The below instructions are intended for vendors who submit invoices manually, not using a specific tool (eg Beeline, Ariba Network, Fieldglass, SAP RE-FX etc).

- Suppliers are requested to issue all invoices on a timely basis at the latest within **8 calendar days** after the month in which the associated goods or services were performed or in which such fees, costs, expenses or charges were incurred.
- Kindly submit all invoices within **5 business days** from the invoice date. Invoices received over 30 days after the invoice date will be rejected by Accenture, with a request to reissue with a new invoice date.
- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.
- Failure to issue or submit invoices on a timely basis may result in payments being delayed. In no event shall Accenture be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.
- Please send hard copy invoice(s) directly to the Local Finance Team via post to the billing addresses above.
- For e-invoicing, the partners need to send a prior approval request to Local Finance Team. Soft copies should then be sent to the relevant company shared mailbox:
 - o Accenture Kft.: finance.hungary@accenture.com
 - o AISS Kft.: hungary.aiss.finance@accenture.com
- Please submit 1 PDF document per invoice. Ensure that all supporting
 information related to a particular invoice is in 1 PDF file only, with the invoice
 being the 1st page and any other relevant supporting information on the
 subsequent pages.
- Max 1MB per attachment, Max 20 attachments per mail and Max 10MB per email (including attachments). Do **not** encrypt or digitally sign the emails.
- You will receive a notification on successful submission / rejection of the invoice which will indicate our invoice tracking number (URN#). This URN# should be used as a reference in all communications regarding your invoice.
- Please check with customer support team (see section 2.7) before resubmitting any invoices that were submitted earlier. Invoices sent to personal mailboxes or directly to Accenture employees will be deemed as not received.
- Please do **not** submit original invoices to the Accenture employee who
 requested the goods or services. If you need to send a copy of the invoice to
 your contact at their request, please clearly indicate on the invoice that it is a
 copy and has already been submitted to Payables. This will help to prevent
 duplication in our systems and prevent payment delays.
