EINDHOVEN TALENT HUB – 3RD EVENT

IMPRESSION OF THE EVENING, FOCUSED ON ‘THE FUTURE OF LEARNING’

INTRO

“Eindhoven region is booming: with all the innovations, learning is an important subject to exceed”

“[org] is at the middle of where innovations happen. An inspiring environment to focus on Learning”

ACCENTURE’S VIEW ON LEARNING

“8 Key findings for learning in the future”

“Digital will enhance our ability to make the right human connections for learning and performance.”

SIGNIFY CASE

“The ability to learn becomes a critical determinant for us to succeed”

“Creating the right environment for trial and error will always remain to be important”

INTERVISION

“Shared inspiring insights on what future learning will look like”

“A culture of continuous learning is key for the future”

WHAT WILL BE THE FUTURE ROLE OF CORPORATE LEARNING?

BRAINSTORM SESSION WITH THREE INSPIRING OUTCOMES

***“Vendors are cowboys”
Business needs to learn
but there needs to be an
overarching department***

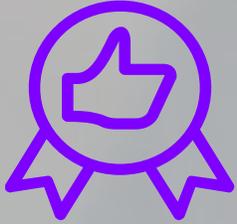

***Culture is key. Learning is
an instrument to
implement a new culture***

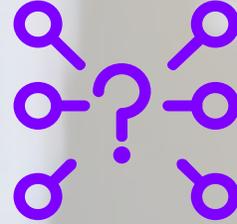

***Learning department will
be the orchestrators***

WHAT DID YOU LIKE AND WHAT DO YOU WISH FOR?

I LIKE

- A **real inspiring case** from [org] and hosting it at [org's] office
- **Accenture's view** on the topic and discuss leading **trends**
- Great **connection with companies** from the Eindhoven region to expand our **people network**
- **Exchange of experiences** by a set of divers companies
- The format: **link between trends & case**, brainstorm, storytelling
- **Specific experience** with LXP (Learning Experience)

I WISH

- **More interaction**, details on case study and **practice sharing**
- **Inspiration on topics** (e.g. collaboration adoption, HR analytics, learning organization, how to build digital skills)
- **Next session other client** with more people from booming hub or a **non-high tech** company
- **Sending brainstorm question** before session to **increase the quality** of the answers

**THANK YOU
AND HOPE TO
SEE YOU IN
OUR NEXT
EDITION!**
