1 Introduction

Dear Supplier, thank you for providing goods or services to Accenture Group. Accenture always aims to pay suppliers on time, within the payment terms that have been agreed, and will also follow local government regulations. This can only be achieved with the co-operation of our suppliers – please follow the guidelines outlined in this document to ensure that we can meet these targets.

2 Establishing and maintaining your Accenture supplier profile

- In case you need to update your supplier profile, you kindly need to log onto our Supplier Registration Portal <http://accenturesupplierportal.com.br/> and review the data you'd like to update. Please make sure that the contact and payment information that Accenture has is always up to date. If your mailing address, business email address, contact information, banking information or phone numbers change, please notify us as soon as possible. Also, please keep in mind that for bank information updates (and other critical data, such as email, telephone) there will be a cross check carried out by mail or telephone.
- In case you need additional support to update your data in our Portal, you can contact us through the following box VendorMasterSS@accenture.com.

3 Payment Terms

- Accenture's standard payment terms are **45 net days** from the date of a valid legal duly submitted VAT Invoice (Refer to Submitting Invoices, section 5), unless alternate payment terms have been agreed and formally documented. Invoice due dates mentioned on the invoice will not be taken into consideration whilst making the payments.

5 Submitting invoices for Accenture

Please note that Accenture will only pay you in case you have a formal order from Accenture in one of the following tools:

5.1 **Ariba Buynow**- This tool is only applicable for invoicing goods only or non-electronic documents.

- Accenture requires a Purchase Order (PO) for **all** purchases. Please request a PO# before providing any services so that you don't have any risk of delaying your payments or being non-compliant with Accenture policies. In case of any doubt please contact procurement.support@accenture.com
- If you are providing goods and services to Accenture under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
