

SMALL CHANGE. BIG DIFFERENCE.

VIDEO TRANSCRIPT

At Accenture, we deliver on the promise of technology and human ingenuity, building a more inclusive future, in which everyone can thrive

Our ambition is to be the most inclusive organisation

Because we know, at the heart of every great change

Is a great human

We are making a public commitment

To help enable all people to be their authentic selves every day. Everywhere

“We know that when you have a culture of inclusion, when you have that equality across the organisation, that is really when you have innovation ”

Championing change, impacting our people and communities.

“We really need to understand where it comes from, talking about it is not good enough, we actually need to utilise and proactively embrace it”

We're a frontrunner in the discussion on equality

“We want to be associated with organisations where our values are aligned. Values like respect, integrity, stewardship. We stand for pay

equity and we have a commitment to 50/50 gender equality by 2025. ”

Partnering with leading organisations whose values align to our own

Gaining recognition from organisation that can see we're leading the way

Together, we make a big difference

Let There Be Change
