

THE ACCENTURE SERVICENOW BUSINESS GROUP IS A ONE-OF-A-KIND PARTNERSHIP

VIDEO TRANSCRIPT

Together with ServiceNow, we drive a business-led, transformational approach to create **meaningful experiences** and **innovation** for our clients

By helping companies shift from technologies that manage work

To **cloud-based technologies** that enable workflow
Our industry + functional knowledge allows us to create solutions for clients leveraging **Accenture's own capabilities**

As well as the ServiceNow platform

"Our ServiceNow and Accenture partnership brings together world-class teams, expertise, and our modern workflow platform to accelerate every organization's digital transformation.

The Accenture ServiceNow Business Group will help every organization become a 21st century digital business." –Bill McDermott, ServiceNow CEO

We bring **unique set of skills** in **accelerating the path to value** for our clients

This comes from **combining three sources of excellence**:

Our unique partnership with ServiceNow

Our advanced technological application

Our industry and functional knowledge

Just a few things we're proud of ...

- **ServiceNow's 2019 and 2020 Global Partner of the Year (2021?)**
- **2020 and 2021 Americas Partner of the Year**
- **2019, 2020, 2021 EMEA Customer Workflow Partner of the Year**
- **2021 APJ Customer Workflow Partner of the Year**
- **11500+ people skilled in ServiceNow**
- **First partner with 10K+ certifications**
- Only **Global Elite Partner** with ITx, customer, and employee workflow badges—**the highest designation in ServiceNow's partner program**

"

Working together with ServiceNow to automate complex processes and create better experiences across industries, **we will help organizations deliver greater 360-degree value that benefits all — their customers, people, shareholders, partners, and communities.**" –Julie Sweet, Accenture CEO
