

ACCENTURE GOOGLE BUSINESS GROUP OVERVIEW

VIDEO TRANSCRIPT

Disruption is here—everchanging: customer demands, technologies, climate. Thriving requires a compelling vision for the future, an innovative mindset, and deep competency to deliver. True partnership brings these elements together. This is why Accenture formed AGBG, the Accenture Google Cloud Business Group. We tap into Google's innovations in hybrid and multi-cloud platforms and Accenture's vast industry knowledge. We Envision, Accelerate and Transform industries – and help get you to value faster.
