

# UNDERGROUND: MAIN FILM

## VIDEO TRANSCRIPT

Behind every great change is a great human...

#StoriesOfAccenture

Pinipili natin, kung ano ang papakita natin sa ibang tao

Ma me-meet ba ang expectations ni mama at papa?

Oh, matatanggap ba ako ng mga kaibigan ko?

Akala ko noon, to be accepted

Kailangan kong itago, ang totoong sarili ko

Kailangan ko maging totoo at manatili lamang Underground

Pero, bago ka pala tanggapin at mahalín ng iba for who you really are

Kailangan mo munang mahalín ang sarili mo

This is Mark. This is his story.

Mark is a successful Senior Analyst at Accenture, and a proud drag queen outside the office

He is a member of FLAG, the company's LBGT+ Community

A testament that he can be his true self in a place that champions inclusivity, diversity, and authenticity
