

ACCENTURE AT WORLD PETROLEUM CONGRESS

VIDEO TRANSCRIPT

[00:00:03] Energy propels us forward.

[00:00:06] It touches everything we do.

[00:00:09] The energy industry is in the midst of a reinvention, an inflection point that will affect every single being on the planet.

[00:00:18] Changes are taking place in ways never thought possible before.

[00:00:22] The dawn of a new era that puts customers at the center; that explores new, safe, and clean ways to deliver fuel.

[00:00:34] We're part of a major shift in the way people go about their daily lives.

[00:00:39] We're working to meet the challenges of today and the promises of tomorrow.

[00:00:45] Welcome to energy's next frontier.

[00:00:50] Let there be change.
