

A DAY IN THE LIFE AT ACCENTURE FEDERAL SERVICES – MEET MAGGIE POLLARD

VIDEO TRANSCRIPT

As a veteran who transitioned to a corporate career, I appreciate being at Accenture Federal Services where my leadership, commitment, and military expertise contributes to a greater mission.

I love being part of a team that finds creative solutions to improve the way our federal government makes the nation more efficient, stronger, and safer.

I'm honored to offer my talents to support a greater sense of purpose. There's no greater feeling than knowing we've done our part to build a better future for us all.
