

# Accenture is Intel Partner of the Year for the fourth year in a row

## VIDEO TRANSCRIPT

Another year, another win.

We are proud to announce that Accenture has been named:

Intel's 2023 SI Partner of the Year for Outstanding Growth

2020 Global Innovation

2021 Global SI Market Growth

2022 Solution Provider Innovation

Congratulations to the Accenture and Intel Partnership who continue to co-innovate in Analytics, Digital Workplace and the Multicloud.

We are pushing the boundaries by expanding our joint innovation in the Metaverse, AI, Cloud Software and Sustainability.

The future is here, and we are proud to lead the way.
