

A REINVENTION CONVERSATION WITH AL ETIHAD PAYMENTS

VIDEO TRANSCRIPT

Julie Sweet: Hello, everyone. I'm Julie Sweet. Welcome to another edition of Reinvented with Accenture. Today is a very special episode. Normally we're talking about reinventing a company. Today we're talking about reinventing a country.

Jan Pilbauer: Payments have to be fast, they have to be secure, they have to be convenient and they have to be inclusive. Those are things which are not negotiable, and when you think about it, there is no single commercial transaction which doesn't rely on a payment at some point.
