ACCENTURE TECHNOLOGY "TECH LIVES HERE" LAUNCH

VIDEO TRANSCRIPT

Tech lives here
Powerful tech lives here
Impactful tech lives here
Meaningful tech lives here

We use tech to help the world
We use tech to help industries
We use tech to help communities

Tech is evolving
Tech is you

I connect a universe of intelligent products in IoT

I provide real-world Blockchain Applications

I deliver intelligent Web Development Solutions

I help clients go beyond with XR

I unlock enterprise value using Salesforce.

We work with AI | Blockchain | Cloud Computing | Deep Learning | Facial Recognition | Edge Computing | Geospatial Solutions | Knowledge Graphs | IOT | Linux | Machine Learning | Open Source | Quantum Computing | Prototyping | Network Security | Yottabyte | …

This is where tech thrives.

Join us.
