2 Introduction

Umlaut Engineering GmbH is fully owned by Accenture. With effect from September 1st, 2022, Umlaut Engineering GmbH and has started to apply Accenture's Procurement processes, which are set out below.

Dear Supplier, thank you for providing goods or services to Umlaut Engineering GmbH in France. Umlaut Engineering GmbH always aims to pay suppliers on time, within the payment terms that have been agreed, and will also follow local government regulations where applicable. This can only be achieved with the co-operation of our suppliers – please follow the guidelines outlined in this document to ensure that we can meet these targets.

2.1 Establishing and Maintaining Your Supplier Profile

- Please make sure the contact and payment information Umlaut Engineering GmbH has on file is always current. If your mailing address, Purchase Order (PO) receipt email address, contact information, bank information, or phone numbers change, please notify Umlaut Engineering GmbH immediately by e-mailing ap.france.support@accenture.com.

2.2 Credit Terms

- Umlaut Engineering GmbH's standard payment terms are **60 days** (30 days for Small and Medium Enterprises (SMEs) and diverse suppliers, 45 days for periodic invoices), from the date of issuance of a valid legal duly submitted VAT Invoice (Refer to 'Submitting Invoices', section 2.5), unless alternate payment terms have been agreed in writing with Umlaut Engineering GmbH Procurement Plus.
- Invoice due dates mentioned on the invoice will not be take into consideration whilst making the payments.

2.3 Preparing Invoices for Umlaut Engineering GmbH

Please include all of the following information on the invoice which are not deemed to replace what is legally provided by the law in the VAT Code:

- Your full legal Name, Address, VAT Number and contact details of your finance team for us to communicate in case of any queries.
- Invoice number / applicable reference number, Invoice issue date, Tax Identification # (if relevant), Total amount to be paid, and detailed description of the goods or services that were delivered or rendered, date when the delivery of goods/services was accomplished, VAT percentage and amount.
- E-mail address of the Umlaut Engineering GmbH contact who requested the goods or services. *(Note: This employee will be asked to confirm receipt of the goods or service and verify the accuracy of the invoice before the payment can be released.*

- Umlaut Engineering GmbH Purchase Order (PO) number **beginning with 60XXXXXXXX** on the invoices (where the goods & services are provided against a PO). Note: Umlaut Engineering GmbH will not be liable for late payment fees if a PO number has been provided to the supplier but not included on the invoice.
- Your complete banking details (Sort code, Swift Code, Account #, IBAN, etc)
- Umlaut Engineering GmbH **Bill to Address** and **VAT number** (*Please use this address & VAT number, unless specified differently in the contract*):

Umlaut Engineering GmbH

Blohmstraße 12,
21079 Hamburg
Germany

VAT: FR 95891815441

- If you are issuing a credit note against a cancelled invoice, kindly quote the corresponding invoice reference against which the credit note is being issued; alternatively, please quote complete details for issuance of the credit note to enable us to account for it appropriately.

2.4 Special Instructions for Purchase Order (PO) Invoices

- Umlaut Engineering GmbH require a Purchase Order (PO) for **all** purchases (\$0 and over). Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case)
- If you are providing goods and services to Umlaut Engineering GmbH under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO. (For example, the 'Bill To' address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please **note** that a Purchase Requisition Number ("PRXXXXX") will not be accepted, please quote only a valid PO number (eg "**60**xxxxxxxx").
- Invoice value /quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Umlaut Engineering GmbH requestor to update the PO as required.

2.5 Submitting Invoices to Umlaut Engineering GmbH

NOTE: The below instructions are intended for vendors who submit invoices manually, not using a specific tool (eg IQN, Ariba Network etc).

- Suppliers are requested to issue all invoices on a timely basis – at the latest within 15 days after the month in which the associated goods or services were performed or in which such fees, costs, expenses or charges were incurred.
- Kindly submit all invoices within **5 business days** from the invoice date. Invoices received over 30 days after the invoice date – or where the invoice due date has already passed - will be disputed by Umlaut Engineering GmbH,

with a request to reissue with a new invoice date or to establish an amending invoice.

- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.
- Failure to issue or submit invoices on a timely basis may result in payments being delayed. **In no event shall Umlaut Engineering GmbH be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.**
- Please send a soft copy of the invoice (s) directly to acn.3546.inv@accenture.com in a non-manipulative format e.g. PDF, TIF.
- Please submit 1 PDF document per invoice. Ensure that all supporting information related to a particular invoice is in 1 PDF file only, with the invoice being the 1st page and any other relevant supporting information on the subsequent pages.
- Max 1MB per attachment, Max 20 attachments per mail and Max 10MB per email (including attachments). Do **not** encrypt or digitally sign the emails.
- You will receive a notification on the success or failure of the submission of the invoice which will indicate our invoice tracking number (URN#). This URN# should be used as a reference in all communications regarding your invoice.
- Please check with customer support team (see section 2.7) before re-submitting any invoices that were submitted earlier. **Invoices sent to personal mailboxes or directly to Umlaut Engineering GmbH employees will be deemed as not received.**
- Please do **not** submit original invoices to the Umlaut Engineering GmbH employee who requested the goods or services. If you need to send a copy of the invoice to your contact at their request, please clearly indicate on the invoice that it is a copy and has already been submitted to Payables. This will help to prevent duplication in our systems and prevent payment delays.
- If for any reason you are not able to email the invoices, invoices can be posted / delivered to the above mentioned 'Bill To' Address – **please do not send directly to your Umlaut Engineering GmbH contact.**

2.5.1 Other Systems Used for Invoice Submissions

Umlaut Engineering GmbH also accepts invoices via other invoicing tools – if this applies, you should already have been contacted by Umlaut Engineering GmbH separately and provided with all relevant training in these tools:

- a) Ariba Network** - *This is an electronic document exchange tool, which is fully integrated & linked to supplier ERP systems.*
 - For any queries, please contact the Ariba Catalog and Network Enablement team at ACN.LA.EnablementSvc@accenture.com
- b) T360** – *This tool is only applicable for legal advisors.*
 - Contact T360.administration@accenture.com for further assistance
- c) IQN** – *This tool is only applicable for staffing agencies providing Time & Material Services*
 - Contact cxhelpdesk@accenture.com for further assistance.
- d) Fieldglass** - *Used in some areas to manage deliverable based services (SOWs)*

- All supplier materials are uploaded into the [SAP Fieldglass Reference Library](#)
- Contact Servicessow@accenture.com for further assistance.

2.6 Umlaut Engineering GmbH Supplier Standards of Conduct

Umlaut Engineering GmbH is committed to conducting its business free from unlawful, unethical or fraudulent activity. Suppliers are expected to act in a manner consistent with the ethical and professional standards of Umlaut Engineering GmbH set forth in the Umlaut Engineering GmbH Supplier Standards of Conduct, including reporting promptly unlawful, fraudulent or unethical conduct. Umlaut Engineering GmbH has established reporting mechanisms and prohibits retaliation or other adverse action for reporting such conduct. A copy of the Umlaut Engineering GmbH Supplier Standards of Conduct can be found at the following address:
www.accenture.com/codeofbusinessethics.

2.7 Further Information & Assistance

- Umlaut Engineering GmbH is pleased to announce a new service for its suppliers and vendors called [My Supplier Portal \(MSP\)](#). MSP is a web-based tool which enables suppliers to view the status of their invoices and payments information via the internet 24x7.
- The full MSP link is:
<https://eme.mysupplierportal.com/ACC/Pages/UI/Login.aspx>
- Please note that the acn.3546.inv@accenture.com email address is for **invoice submission only** – all queries, concerns or statements should be routed through our customer support team at ap.france.support@accenture.com.
- For information regarding your Umlaut Engineering GmbH Supplier Profile, Invoices, Payments, Purchase Orders or access to My Supplier Portal, please contact Umlaut Engineering GmbH at ap.france.support@accenture.com.
- Our Customer Service representatives are available at **Direct Phone: 0800-919-690** (Free in France only), Monday through Friday to provide you with assistance.
