Scene includes large ramshackle home, overgrown with foliage.

Adolescent children run up the steps of the home.

Scene includes three children in dark room. One holds a rifle. The other holds a handmade explosive.

Adolescent throws the flaming explosive toward skeletal figure in a large spider web. Skeletal figure and web ignite.

View changes to 3D developer's view of skeletal figure, then morphs back to the scene in the dark room.

Flaming skeletal figure falls from web to the ground, where it is surrounded by ash.

The flames grow stronger, and the figure rises from the ash.

The children throw a second homemade explosive at the figure. A second child shoots the figure in the shoulder, then again in the abdomen.

Scene cuts to 3D developer's image of the figure as it is propelled backward by gunfire.

Skeletal figure spins, then re-animates mid-scene.

Figure is catapulted out a second-story window, onto the ground below.
