

ACCENTURE SONG AT CANNES LIONS 2023

VIDEO TRANSCRIPT

This year at Cannes we're celebrating

1-2. 1-2-3-4.

Work built right at the intersection of technology,
business, and creativity.

And deployed all around Planet Earth.

Solving problems.

Making connections.

Feeding emotion.

And generating excitement.

New kinds of teams built to tackle the challenges
of an ever-evolving world.

Carving out new spaces.

Creating new industries.

And inventing new ways to connect with
customers.
