

LET'S GO BEYOND THE CLOUD IN THE ACCENTURE & ORACLE DATASPHERE

VIDEO TRANSCRIPT

A new Cloud era is here.

One of technological acceleration, increased acceleration, increased cooperation and more efficient operations.

Accenture & Oracle welcome you to the Datasphere.

Where the insights fly and interoperability is inherent.

It's a place where everything just fits.

End to end.

Top to bottom.

Tailored to you.

So whether it's creating seamless human experiences, exceptional sustainability practices, or exacting a safe and secure infrastructure, we have the expertise.

70,000+ Oracle Experts.

1,000+ Oracle Cloud implementations.

Co-creating together for 30+ years.

To drive growth, align your processes, transform your systems.

Ascend to new heights in the cloud.

Drive growth, align your processes, transform your systems, ascend to new heights in the cloud.

It's time to enter the datasphere.

Welcome to the Datasphere.

Oracle and Accenture.
