## VIDEO TRANSCRIPT

**Emma McGuigan** [00:00:00] Hi, I'm Emma McGuigan and I'm really excited to be here at Oracle CloudWorld here in Vegas. I've been learning a lot today. Actually, a lot over the last couple of days where we meet with our clients and understand more of the challenges they're going through and how Oracle is as a platform is helping them solve. And it was great during Safra's keynote this morning to hear so many success stories of our clients and other customers.
