

# **SOUJANYA – CAREER REBOOTER**

## **VIDEO TRANSCRIPT**

I am Soujanya. I have 5 years of experience as an Application Developer. I took a break of 7 years due to maternity and some family issues. I always wanted to restart my career. Accenture gave me the support, and the opportunity. The Career Reboot program is a wonderful initiative and is helping out many women out there just like me. Thank you and amazing, so happy to be a part of it.
