### Manager–Corporate General Accounting services, Emily McGrath

Hi, my name is Emily McGrath I manage Corporate General Accounting services, which focuses on providing our clients general accounting services for corporate disciplines, such as IT, Finance, Sales and Marketing, and Human Resources.

Our fixed asset services are extended to administrative, as well as client-owned assets. Our scope of services includes 1,700 corporate administrative departments, 83,000 assets, 1,600 account reconciliations on a monthly basis.

We provide accounting services and analytics enabling the finance roles within our client structure to act as business advisors—we work under a single, unified leader, which enables us to be consistent across functional disciplines.
