

# ACCENTURE CONSULTING

## VIDEO TRANSCRIPT

Connect. [Repeat several people saying that word, for emphasis.]

Connecting to bring business-focused, industry-led consulting to our clients.

Networking across Accenture/ to connect our company's incredible capabilities/ to our clients' transformation

Connecting to Digital to unleash the potential of the new.

Connecting to Operations to scale our client's infrastructure and make their processes more agile

Connecting with Technology/ to power best in class and innovative solutions.

Connecting with Strategy/ to shape our clients' future.

A Connector –/for our clients/ and ecosystem partners.

A connector to span assets and platforms, to reduce costs,/ and drive new revenue streams.

Connected people.

Connected on personal/ individual/ inspirational levels.

I'm plugged in – connected to what is happening in my industry / in Human Capital / In Supply Chain/ in Network / in MY area of expertise.

Growing my career/ as I grow my business.

So we can grow our careers together  
I am Connected./ We are Connectors./ Making connections for our clients and ecosystem partners./ Now.
