Accenture Operations for the  
Media and Entertainment  
industry

We helped a large North American provider of entertainment, information and communications products and services stay agile in a tough business environment and achieve significant cost savings by centralizing its accounts payable function.

We helped a large Spanish multimedia company transform the way it manages its content production to improve their audiovisual service both nationally and internationally.

Thanks to our Operations team bringing extensive, specialized experience to our M&E clients

We help M&E companies adapt to the realities of the digital age - breaking new ground to simplify operations, better understand consumers and capitalize on new opportunities.

Accenture Operations helps clients achieve high performance.

Our Next-Generation Operations focus combines analytics, domain expertise, technology and industry knowledge to drive innovation for M&E clients

We have globally connected people actively collaborating on 'Industry Communities of Practice'

Our Business Advisors have extensive industry experience and use it to uncover insights from clients' data to make recommendations that drive tangible business results-These initiative help M&E clients address business challenges like:

- Revenue generation
- Working capital improvements
- Enhanced competitive differentiation

With unmatched industry experience, analytical skills and global delivery capabilities...

We are helping our clients move from challenges to outcomes

Accenture. High performance. Delivered.
