High performance. Delivered.

Why top strategists join Accenture Strategy Film Transcript

September 2015

Video Transcript

“What I love about Accenture Strategy is it’s a vibrant workplace.”

Sonia Gupta
Strategy Principle Director:
Accenture Strategy, Singapore

“I’m excited about building something.”

Jasper Putlitz
Managing Director: Accenture Strategy, Germany

“If the candidates are really looking for the type of work that’s by nature really innovative and entrepreneurial then I think that this is the place to be. I truly believe so.”

Atsushi Maekawa
Managing Director: Accenture Strategy, Japan

“I think we are just seeing the start of what it will be for the future.”

Jonas Wedin
Managing Director: Accenture Strategy, Sweden

“If you are looking at the proper mix of breadth of capabilities, depth of capabilities from board level strategy all the way down to implementation and outsourcing, and then being able to do that with the appropriate digital context. There’s really only one firm that can do that.”

Mirko Martich
Managing Director: Accenture Strategy, US

“What excites me most about Accenture Strategy [is that] I think we are the only player in the industry who is very serious about, you know, unleashing the power of technology under the context of strategy setting.”

Atsushi Maekawa
Managing Director: Accenture Strategy, Japan

“When you marry that with a perspective on where emerging technologies are going, it really positions us very differently to help transform our clients’ businesses.”

Sonia Gupta
Strategy Principle Director: Accenture Strategy, Singapore

“We really have to make sure that we can support these clients end-to-end according to their specific requirements – and also really help them to understand what this fast paced change is actually doing to their business model – how they are going to be disrupted, and ultimately hopefully helping them to disrupt themselves.”

Jasper Putlitz
Managing Director: Accenture Strategy, Germany

“It’s a business strategy, a project, and in the middle of the process of interviewing us they said: ‘You know what, we also want to do a technology strategy. Can you do both?’ And I think we are one of the few firms who are able to stand up and say ‘yes we can do both’.”

Robert Rudy
Managing director, Accenture Strategy, US

“Instead of just thinking about how a healthcare plan should go digital, we actually would support the entire transformative journey.”

Jasper Putlitz
Managing Director: Accenture Strategy, Germany

“We have an opportunity to take our clients to a new place.”

Robert Rudy
Managing director, Accenture Strategy, US

“Inventing new business models, and creating new solutions.”

David Champeaux
Managing Director: Accenture Strategy, UK

“Working with a bunch of talent give[s] me a lot of inspiration.”

Claire Yang
Managing Director: Accenture Strategy, Greater China

“Not very many companies this large ... do you have the opportunity to be an entrepreneur.”

Robert Rudy
Managing director, Accenture Strategy, US

This is where you can make your dreams become reality with your clients.

David Champeaux
Managing Director: Accenture Strategy, UK
