Employee Experience at Accenture Operations

VOICEOVER:

I look forward to going on my morning run.
The time to myself, nothing but my feet and
pavement.

It is my routine, my way of preserving time
to problem-solve, to innovate, and envision
new ideas.

In Accenture Operations, we are passionate
about shaping the future.

We are leaders not followers.

We are pushing the boundaries and it feels
exciting.

We set the bar high for both our clients and
ourselves.

We are a family: we trust and believe in each
other, and have fun.

My experience at Accenture is unique.
Because I am unique.
