## Employee Experience at Accenture Digital

VOICEOVER:

Playing my guitar lets me escape a little bit.

But what I love most about music is how it forces me to stop over thinking and to stay open-minded and authentic.

In my role at Fjord, I'm at my best when tapping into both my logical and emotional sides, and playing my guitar helps me to achieve that.

At Accenture Digital, we are cutting edge innovators.

We are connected more than ever before.

We are leading the Digital revolution... and are empowered to discover the next big thing.

My experience at Accenture is unique. Because I am unique.
