TO THRIVE IN THE NEW ECONOMY, BUSINESSES NEED TO UNLEASH THE POWER OF CLOUD...

The race to the cloud is quickening as more companies than ever predict they will be making the journey:

- 53% of companies said they would be using public cloud in 2016.
- 91% of companies say they will be using public cloud by 2019.

...BUT THE JOURNEY REQUIRES CAREFUL NAVIGATION

- 95% of respondents have a 5 year strategy for cloud adoption.
- ONLY 35% have taken steps to integrate cloud and business strategies.
- JUST 69% of leaders are accelerating the pace to move to cloud.
- JUST 14% have made the right preparations.
