

WOMEN ON WALLS: THE STORY SO FAR

VIDEO TRANSCRIPT

You cannot be what you cannot see.

Too often have women leaders been absent from the halls of history.

Their stories are left untold.

We want to change that...

March 2016

In partnership with the Royal Irish Academy, Women on Walls was founded.

We commissioned two artists, Vera Klute and Blaise Smith, to create portraits of twelve women, leaders in the Sciences and Humanities, past and present – making history.

December 2016

For the first time in its 230 year history, portraits of women graced the walls of the Royal Irish Academy.

The award winning Women on Walls is acknowledged as a catalyst for new conversations, thinking, and action, showing the power of art to break down barriers.
