

# PROCUREMENT BUSINESS PROCESS OUTSOURCING SOLUTIONS

## TRANSCRIPT

00:02  
the digital disruption of procurement  
00:05  
has begun business users expect Monday's  
00:10  
procurement tasks to be as intuitive of  
00:12  
Sunday's lifestyle ups  
00:15  
but today's policies and tools are all  
00:18  
about process when they should be geared  
00:20  
towards experience and outcome it's no  
00:23  
surprise that stakeholders find the  
00:25  
process slow and rigid and more of an  
00:27  
obstacle than at all it's time for the  
00:31  
next generation of procurement a  
00:34  
movement that emphasizes user experience  
00:37  
those experiences will be powered by AI  
00:40  
for the moments that matter whether you  
00:43  
seek information or seek to execute a  
00:46  
step in the process so how do we get  
00:49  
there by using smarter data from inside

00:53  
and outside the organization informing  
00:56  
not just what but how and why things are  
00:59  
purchased data is the currency of the  
01:03  
future with Accenture you can get there  
01:06  
faster don't get left behind start your  
01:10  
journey to digital now  
01:16  
you
