

# Infrastructure Engineering Trailer

## VIDEO TRANSCRIPT

Technology innovation, as you know, is accelerating. So how do you keep up? How do you get from here – to here?

Cloud seems to be the answer. But – what about your infrastructure? It's fundamental to your business. But it's also the foundation for change.

We get it: keeping the lights on, while rebuilding... That's a challenge. Yet, there is a clear path forward.

Let me share with you our new report for a modern, intelligent, ever-ready Infrastructure. Inside, you'll discover insights into innovations, real-world applications and expert guidance.

Our three-step approach shows you how to stabilize, optimize and transform – to get from here – to here and realize the full value of the cloud continuum.
